After ground was broken in 2018, the main structure of the 46-storey Morgan Tower was completed on 16 December, according to an announcement by the company.

The announcement stated that completion include pillars and the main structure all the way up to the 46th floor. Meanwhile, the swimming pool on the 46th has been completed since 27 November.

Located on Diamond island of Phnom Penh city, the 210-metre-tall Morgan Tower has been built by a Chinese firm with a total investment of US\$160 million. (Read [more](#))
