Metfone's point of view on CSR

The perspective about social responsibility of Metfone has been clearly mentioned in the Metfone's business core value.

Society is a foundation for any corporate to develop. Metfone committed to reinvesting in the society by combining business operations with humane social activities.

From that perspective, "business is connected with social responsibilities" has become Metfone's core value. Metfone always attributes the development and success to humane social activities. Metfone regarded them as traditions which benefit the society and help underprivileged people all over the country. From the very first step of our company in the Kingdom, we have joined many activities to contribute to the common development of society. We focused on the following programs:

- E-government
- Internet for schools
- Healthcare community, support areas which suffered from natural disasters
- Other social and charity activities to help the poor people

CRS Programs

With the core philosophy doing business integrated into social responsibilities, from the very first step of our company in the Kingdom, we have joined many activities to contribute to the common development of society. Currently, Metfone has implemented many social programs as:

- Internet to school: Sponsor to connect Internet to all the public schools of the Kingdom from year 2009 – 2015
- Sponsor for Football Federation of Cambodia in 3 seasons from 2010 – 2012 with the main event is Metfone Cambodian League.
- Organize the social program " Closer Smiles" to provide free operation for 1000 cleft lips/palate children in all over the Kingdom (4 main operating places: Phnom Penh, Siem Reap, Stung Treng, Battambang).
- Cooperate with Bayon TV to organize the social program "It is not a dream" – Provide free service to search and reunite lost Cambodian people. The program has money TV talk show with the touching stories.
- Cooperate with Calmete hospital to provide free heart operation for children.
- Other social and charity activities to help the poor people
